hey Sir,

Just following up with the last email. Does this location sound familiar? I'm pretty sure you guys have responded. I wanted to know outcome. Is encampment still there? Does it need a CSLA? RV's are allowed to be there per 85.02 lamc (green zone). However, the complaint was trash bulky items including RV issue. Officer Carpio #41578 advised he was going to talk with the 77th unit. What was that outcome of that?

Respectfully,

Police Officer II Ramirez, Marco #40604
